Sixth Grade Learning Academy
coming to GMS for the 2023/2024
school year

- 6th grade students in their own academic building on campus
- less transitioning across campus, increasing academic learning
- all 6th grade subject area teachers in one location making it easier for students
- ability to focus on behavior, procedures, expectations, and school-wide initiatives
- less stress on both students and parents
- students will travel to art, music, physical education and lunch,
